

# PENNY WARS

Prairieview Penny Wars - March 11-15, 2019

Put your spare change toward a great cause. Proceeds will go towards supporting student enrichment and classroom supplies.

## Pennies are "positive." Here is how it works:

Each grade will be competing against each other.

Containers are located at each classroom.

Each penny counts as one positive point for YOUR classroom.

Each silver coin counts as negative points to OTHER classroom (in same grade). In other words, dropping a quarter in another classroom's bucket takes 25 points from their total.

At the end of March 15 - containers will be collected and tallied.

Each grade is competing to win books purchased from the March Book Fair to add to their classroom's library.

*Good Luck Prairieview!*
