

Back-To-School Wish List

Hello Prairieview teachers and staff! The PTO board would like to help support you as you prepare your classrooms for your incoming 2018/2019 students.

Please take a few minutes to write down items that you would love to have to help enrich the experience of Prairieview students in your classroom. Your "wish" items may be something as simple as basic school supplies, like dry erase markers. Or, perhaps, you've been interested in obtaining a specific book, computer program, app or on-line learning tool...Please jot down all those items.

The new school year is quickly approaching. Please feel free to begin dropping-off your wish lists in the PTO mailbox. We will start looking at these requests and do our best to help start the year off! And, please continue to submit updated copies of this form throughout the year, as your needs change. Blank copies of this form are posted on our website, www.prairieviewpto.com.

Thank you for all you do!
